ALMA MATER

Hail to thee, our Alma Mater,
Loud thy name shall ring.
All thy loyal sons and daughters
Praise to thee we'll bring.
By and by our school day ended
Facing life's stern test,
We'll be true to all you taught us
We will give our best.

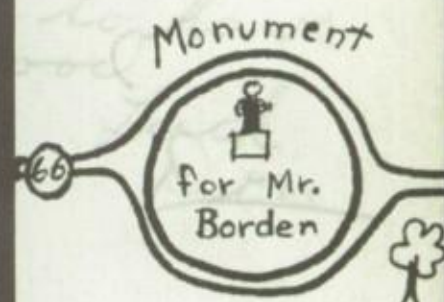

When the shadows round us falling
Mark the close of day;
Memories of the past recalling
Softly then we'll say:
Honeoye, Honeoye, far and wide
Scattered we may be,
But our hearts will still be loyal
Honeoye Falls to thee.

One of the best routing experts we know--

Mr. David Borden

DEDICATION

Along the road of life we've encountered many obstacles and problems. Through his understanding and patience we were able to overcome these hindrances and prepare ourselves for future problems. Although the future is seen in a somewhat dark shade of doubt now, each of us will be more capable of achieving our goals no matter what the obstacles, because of his guidance and good example. To you, Mr. Borden, we dedicate "En Route '66."

"The longest journey begins with a single step."

The longest best remembered journey of the Class of '66 began with a single step. September, 1953, marked our beginning as Septembers have done for those before us and those to come. En Route '66 is a journal of our class' progress, just as all the others, through Honeoye Falls Central School. Before going separate routes we take this opportunity to fix in our minds images of events that have directed our journey.

BOARD OF EDUCATION

Dr. John Proper, President of the Board of Education, leads the board in their continual effort to modernize the school in ideas as well as facilities. This board works long hours to achieve the high standards of our school. The citizens who make up this board supply the backbone of our school's integrity. The students of Honeoye Falls extend a sincere thanks to these civic minded officials.

DISTRICT PRINCIPAL

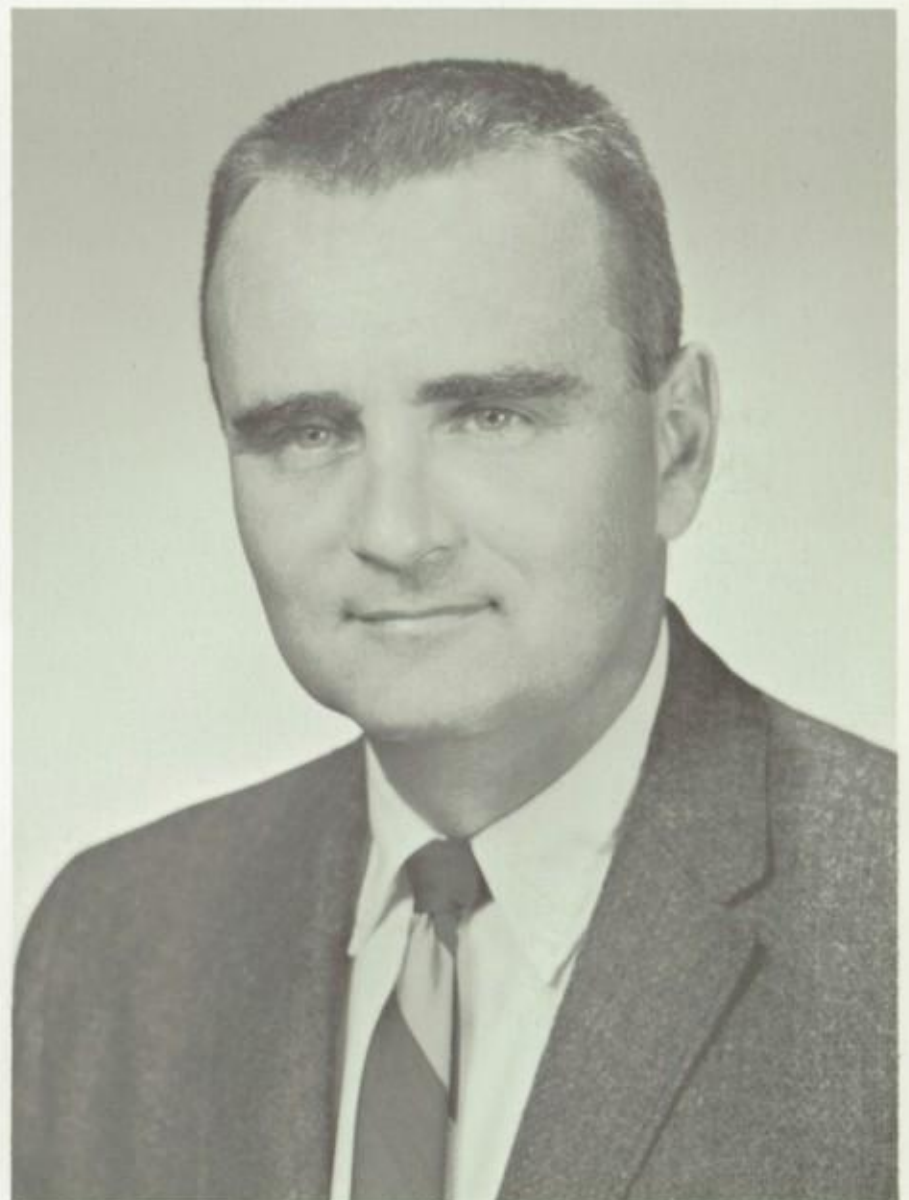

"We live in deeds not years; in thoughts, not breaths; in feelings, not figures on a dial. We should count time by heart throbs. He most lives who thinks most, feels the noblest, acts the best."

Philip James Bailey

In this challenging age of change, it is our hope that the Honeoye Falls Central School has provided the foundation for you to continue always to be engaged in a learning process in whatever you do and wherever life takes you. You have reached a milestone but only one of many you will reach as you travel "The Route of 66".

As you arrive at future milestones, you will find that "he most lives who thinks most, feels the noblest, acts the best." If we have provided for you a foundation to keep thinking, feeling noble, and acting best, we will joy in your successes because of the contributions we have made. Congratulations and best wishes as you journey toward unknown horizons on "The Route of 66".

SECONDARY SCHOOL PRINCIPAL

This yearbook transcribes with pride for you a pictorial history of this past school year. Enjoyably peruse it with the satisfaction of having been a part of many fine things accomplished. Only the future years of success, as I surely hope they will be, will measure your appreciation for Honeoye Falls Central School and what it has attempted to do for you. My particular appreciation is extended to our Seniors. Your example and cooperation this year have made my coming to Honeoye Falls Central School sincerely a pleasure.

David C. Maurer
Jr.-Sr. High School Principal

Mr. David C. Maurer

VICE-PRINCIPAL

Members of the class of "66", you are going forth to meet the challenge of the great new future. There are many new horizons to be discovered and explored. Yours is truly a great opportunity.

You have achieved your first step on your climb to the stars. Regardless of where your next steps take you, whether to the college campuses across the country, the battlefields of Viet Nam, the assembly lines of some factory or elsewhere, I know that you will continue onward and upward. How do I know? I have had the pleasure of working with you while you took your first step. You have three characteristics needed to be successful. One, you possess the character necessary to know and understand your fellow man. Secondly, you have the wisdom to help yourself as well as to help others. Thirdly, you have the courage to carry out what you believe to be right and just.

Congratulations and best wishes for success in the future.

The elementary faculty congratulates you on your graduation, takes pride in your present achievements, and hopes that each one of you will "find your dream."

Student Council's new bulletin board alerts the public to current school activities.

SENIOR HIGH STUDENT COUNCIL

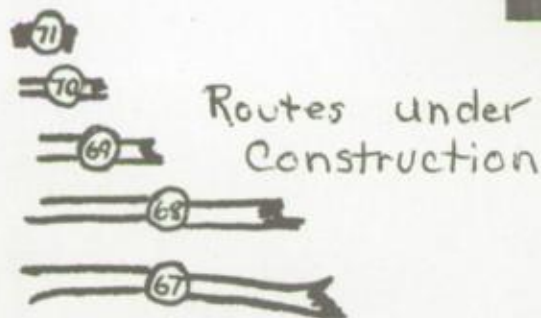

1966 saw the fulfillment of many Student Council plans under the leadership of president Brian Ainsworth, vice president Michele Fallon, secretary Bonnie Cochran, treasurer Martha Hickey, and sergeant-at-arms Kevin Fallon. Members represent homerooms, sophomore through senior and vice presidents of all classes and clubs. An outstanding accomplishment is the bulletin board on the front lawn listing current activities. This year school identification cards and a school flag were designed by members of the student body. The goal was topped in the annual magazine campaign providing funds for a student exchange program. Council is a member of the Teenager's League for Responsible Citizenship.

This year both a Junior and Senior High Council are meeting in order to better cope with student affairs. Committees have worked toward a dress code, student handbook, and exchange assemblies. These accomplishments are but a beginning in council's endeavors to better our school.

Good drivers set good examples.

JR. HIGH STUDENT COUNCIL

The Junior High Student Council is a new organization this year, made up of homeroom representatives, from the seventh, eighth, and ninth grades, ninth grade class officers and an official representative from the Senior High Council. Its purpose is to work with the Junior High and give its student body a more active part in student government. Under the guidance of Mrs. Hill this organization has successfully written a constitution and planned a calendar of events aimed at providing activities for Junior High students.

NATIONAL HONOR SOCIETY

National Honor Society is based on the ideals of scholarship, leadership, character, and service. Students who have achieved these ideals are inducted into the society during candlelight ceremonies held in the spring and fall. As the seventh period bell rings, students flock to buy candy sold by N.H.S. Candy money enables Senior members to travel to Washington D.C. each spring. This trip is planned to give members an enjoyable and informative picture of our nation's capital. Members perform service to the school by selling tickets at home basketball games.

C. Bloom, E. Elardo.

Ellonida Elardo is spending her second senior year at Honeoye Falls Central School. Her home town is Calamba, Guilhungan, Negros Oriental, Phillipines. "Nida" is the fifth child in a family of three brothers and four sisters. Her father is the city treasurer. Choir and Girl Scouts are her main interests. We hope her stay with the Bloom family has been a pleasant one and she will have as many fond memories of the Class of '66 as she has given us.

S. Montejo, J. Thorp.

OUR EXCHANGE STUDENTS

R. Marques, M. Hickey.

Regina Marques spent three months as a senior at our school. She lived with the Hickey family. She came from Batatias, Brazil. "Gina" has one older sister. Her father is a doctor. Some of her interests are photography, horseback riding, and choir. We all hope that her stay was an enjoyable one.

Santiago Montejo spent three months as a sophomore at our school. He lived with the Thorp family. Bogata, Columbia is his home town. In his family there are two sisters. Sandy's father is a teacher at the University of Medicine as well as a surgeon. Though his stay was short we hope he enjoyed it.

Art Club is a group of interested students who seek a better understanding of the various phases of art. This year the students have set up an independent study program to give more freedom to the student's creativity. Studies, under the supervision of Mrs. Cronk, cover various aspects of arts and crafts. The Art Club also took a trip to the Albright Museum of Art in Buffalo.

FUTURE HOMEMAKERS OF AMERICA CREED

We are the Future Homemakers of America
We face the future with warm courage
And high hope.

For we have the clear consciousness of seeking
Old and precious values.
For we are the builders of homes,
Homes for America's future.
Homes where living will be the expression of everything
That is good and fair.
Homes where truth and love and security and faith
Will be realities, not dreams.

We are the Future Homemakers of America
We face the future with warm courage
And high hope.

HEALTH CAREERS CLUB

Health Careers Club was formulated to stimulate an interest in health careers and to participate in Community Affairs. This year the organization has been active in both areas. At Christmas members entertained at St. John's Home by a performance of the play "Room for Mary." In spring they visited the Day Care Center for the handicapped and carried on exchange programs with other schools. They also visited the Health Careers Exhibit at Midtown Plaza.

FUTURE TEACHERS

Members of the Future Teachers of America, with Miss Kiehle as advisor, study and recognize qualities and aptitudes necessary for successful teaching. They realize the difficulties in preparing lessons when they teach in the elementary grades once each week. Miss Janice Kennedy who was student teaching in the Manor School spoke to the club about special education teaching. She explained the requirements for this type of teaching as well as the difficulties incurred in teaching retarded children. The club held a basketball party to contribute funds for the scholarship given each year to the most deserving Senior going into the teaching profession.

LATIN CLUB

The Senatus Populusque Romanus Club, or Latin Club, supplements regular classes with knowledge of Roman culture. Mrs. Peters serves as advisor, and members elect officers to positions found in ancient Roman government: consuls primus and secundus, scribe, and quaestor. This year, on the eve of the Ides of March, Latin Club held the traditional Latin Banquet, complete with authentic costumes, a slave (freshmen) auction, and entertainment. The club makes an award at graduation to the Senior with the highest average in Latin during the four years.

SKI CLUB

This year the Ski Club has been very active because of the unexpected 30 inch snowfall. This has enabled many members to participate in Wednesday ski instruction and Saturday skiing. The third annual "Snowball" was held this past fall. This furnished funds for the perennial weekend ski trip. Junior and Senior members of good standings attend the trip being held this year at Gore Mt. Under the supervision of Mr. Brown and the leadership of Bill Harloff, the Ski Club has become one of the most active clubs in our school.

This year's speakers have come from Rochester Business Institute and Comptometer School. Many purchased candy from the club during their annual sale. Proceeds are awarded to two worthy Seniors entering a business field upon graduation.

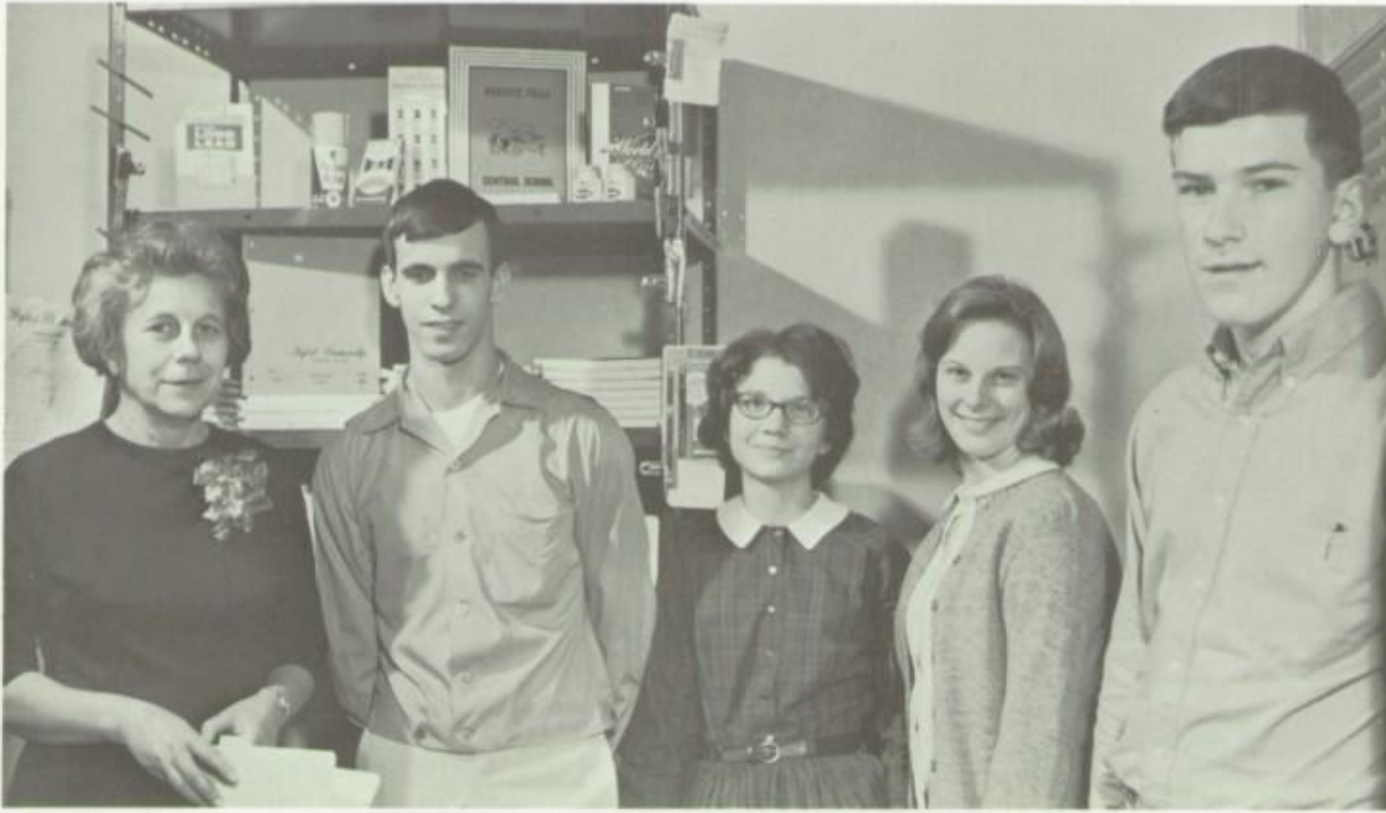

CHESS AND CHECKERS CLUB

Chess and Checkers Club has enjoyed continued interest since its formation last year. Club members enjoy playing these games and developing their skills. Various techniques and strategies are studied so that competition is improved. New moves, once learned, can be used to advantage in a game. STUDENT STORE

The Student Store is run this year by members of the retailing class. The students are given a chance to practice salesmanship. The first weeks of school are followed by a rush on the Student Store for the badly needed review books. The sale of school supplies gives the clerks a chance to practice stocking shelves effectively, pricing items, and taking inventory. A new addition is the sale of paperback books in co-operation with the English Department.

LIBRARY ASSISTANTS—W. Maynard, R. Benschneider, P. Gerstner, M. Alexander, K. Maynard, F. Allen.

LIBRARY ASSISTANTS

This year, a group of students have been organized as library assistants. Their various duties include categorizing and returning books to shelves, writing overdue slips and other clerical work. This not only aids Mr. Mulhern to keep our library in perfect order but also aids the assistants, particularly those who would like to be librarians.

CHOIRS

Vocal music under the direction of Mr. Abeel is a greatly emphasized part of school life as shown by the Junior, Boys' and Girls' Choir.

Junior Choir is composed of students from grades seven through nine. Members come in close contact with the musical world by singing many different types of songs accompanied by Margaret Blish. They perform at two annual concerts and contests. Deserving members attend all-county and all-state festivals.

Girls' Choir and Boys' Choir are made up of the outstanding girls and boys from Senior Choir. The new members are chosen annually by a vote of the present members. They perform at both Christmas and Spring concerts. Girls' Choir also sings at the Mendon-Honeoye Falls Harvest Queen Coronation.

SENIOR CHOIR

Senior Choir is an unforgettable experience for students grades ten through twelve. Members spend months preparing a varied repertoire extending from Handel's "For Unto Us a Child is Born" to a sea-chanty "Blow the Wind Southerly." These are sung at the Christmas and Spring Concerts. Each year the choir attends contests in which choirs perform for adjudicators for a grade. Worthy individuals prepare solo pieces for competition and attend the state and county festivals which are composed of members from various schools who meet on a weekend and give a concert. Each year during the Christmas Season, strains of familiar carols drift through the halls as the Senior Choir carols throughout the school. In June they perform at the graduation ceremonies. Last year the choir also sang at a Rotary Dinner and a banquet in honor of Mr. Worboys.

In the fall the band played for the Pep Bonfire and the Halloween Parade; in the spring they marched in the Memorial Day Parade and played at graduation. The band also went to Band Day at Cornell, had an exchange program with East Rochester and took part in the New York State Music Festival at Houghton. The Senior Band should be complimented on their fine assembly programs also.

The duty of the Athletic Council is to pay the officials who referee interscholastic sports at our school. In addition to this, the Athletic Council, aided by the cheerleaders, provided the cookies and milk after the games. Annual Parents' Night is also sponsored by this organization.

Mr. Biondolillo, in his first year of varsity coaching, led the team to an overall record of 5-5-2. In the tough Monroe County B-C League, the Hornets compiled a 1-5-2 record. Section V Champion Churchville beat HF twice by one goal, and second place Spencerport could only tie the Hornets. Many fine underclassmen helped the Varsity, and they can look forward to a winning season next fall.

JUNIOR VARSITY SOCCER

Mr. Farrell's J.V. Soccer Team had a fine season, compiling a 6-4-2 overall record, and an excellent 5-3 league record. The J.V.'s beat Hilton twice, Churchville twice, and Spencerport once for their league wins. An outstanding defense was a major factor in their winning season. Two good fullbacks, a fine goalie, and a strong center halfback helped the defense, while a wing and a center forward did much of the scoring for the Junior Varsity. Many of the J.V.'s will help the Varsity next year.

Coach Starwald, in his first year of Varsity Basketball Coaching, led the team to a fine record of 9-12, with nine of the games played against AA schools. Led by 6-1 Bill Masterman, the Hornets grabbed second place in the A-B League. Bill, a co-captain, set an HF school scoring record by netting 36 points in a single game. The Hornets had the distinction of being the only team to beat Section V Champion Hilton in league play. The Hornets were tough on their home court, losing only three games and only one league game on it.

When the Sectionals started, the Hornets advanced all the way to the finals before bowing out. They dumped Alfred-Almond by thirteen points at Red Jacket, and then knocked off Victor with its 18-1 record in front of a large crowd at Penfield. In the finals held at Brockport State Teacher's College, the Hornets lost to Williamson, 61-54. Coach Starwald should be congratulated for the team's excellent performance, and Bill Masterman should be complimented on his fine all-around playing.

The team placed second in the Monroe County Class B Tournament, with four champions: Jack Schirer, Tim Lewis, Richard Price, and Dave Milne. Jack wrestled his way to the Section V Finals, losing 4-0 in his final match. Jack compiled an excellent record, second only to Terry Habecker's. The school is very proud of him. Mr. Shapiro offered his time and assistance to the Junior Varsity Wrestling Team.

TRACK TEAM

Mr. Marafioti coaches the Track Team in the spring after directing Cross-Country in the fall. The Track Team looks very strong this year with seniors Mike Doherty and Larry Rodwell leading the way, and underclassmen Dave Staats and Boyd Wright helping them out. VARSITY BASEBALL

Mr. Carr, in his first year of baseball coaching at Honeoye Falls, will direct our only baseball team this year. Playing county schools in their own league should be a welcome relief from the tough competition the Hornets faced last year. The team looks very strong, having lost only a few of last year's starters.

CROSS-COUNTRY

This fall the Cross-Country team proved what hard work and a winning spirit can do. They posted a 2-2 record, and took a well-deserved third out of fifteen schools in the Sectionals in Class C. Outstanding on the team were Boyd Wright, who was named to the All-County team, and Bill Staats, who set a new record of 10:23 for the two-mile distance. Losing only two seniors, and with many veterans returning, the team is looking forward to next year's season. Coach Marafioti did a fine job with his team.

"H-O-R-N-E-T-S" This sound rings out weekly at cheerleading practice where our girls brush up on old cheers, learn new formations and discuss ways to increase spectator participation at the games. The cheerleaders should receive much praise for the pep and school spirit they display at the soccer and basketball games during the year. In addition to supporting the

Varsity and J.V. teams at their games, the cheerleaders are responsible for organizing pep rallies and teaching cheers for cheerleading tryouts. In the spring the girls are able to compete in the C.Y.O. Tournament against squads from other New York State schools.

The annual basketball game between the Senior members and the women's faculty again highlighted the activities of Leader's Club.

PEP CLUB

Much of our teams' success should be credited to the support that Pep Club members offer during the games. The girls who make up Pep Club are good examples of school spirit in Honeoye Falls as they help cheer our boys on to victory and provide refreshments for the players and cheerleaders after basketball and soccer games. Sports for girls are varied, ranging from soccer and field hockey in the fall, to basketball and volleyball in the spring. The girls learn fundamentals in their required gym courses. Those interested participate in intramurals which are held every week. The best of these take part in playdays held with Rush-Henrietta, Wheatland-Chili and Gates-Chili. Honor playdays are held for each sport in which the top girls in the sport participate for a trophy.

"Somewhere Over the Rainbow."

JUNIOR PROM

"Somewhere Over The Rainbow" our first formal dance, was a test of class co-operation. It's success was achieved because of each person's thoughtfulness and consideration. The minute each of us passed over the "Bridge of Enchantment" a feeling of proudness swelled within us. Many hours of hard work went into the decorations and each could truthfully say they contributed to this land of enchantment on that special Friday night of May 21, 1965. Chris Otteman reigned as Queen over our city of enchanted bridges, emeralds, and rainbows.

IN SPRING THE SAP

Spurts up in winey glee, new life to withered oak,
 To every bean and Spanish onion
 To tangled sour apple tree!
 Each tattered dismal thing
 Feels in itself a beauty that is spring.
 The bee is proud of his ugly fuzz.
 The radish is proud of his leafy hat
 And ugly is lovely and homely is beauty
 Because, in spring the sap.

with our Senior Play.

SENIOR PLAY

These words have become immortal in Honeoye Falls. With Miss Clark's superb guidance, the Senior Class was able to present one of the funniest plays the community has witnessed. The super balls bouncing across stage during rehearsals often caused us to miss cues and lines. Learning to dim the lights, to open and close the curtains, and to put make-up on the cast properly and effectively was important to the mechanical effectiveness of the play. Each member of the cast worked hard for four weeks to perfect his lines with the possibility of forgetting lines always pushing him to try harder. We finally relaxed opening night as off-stage cast members counted the audience's fits of laughter. When we reached sixteen in the first ten minutes, everyone flashed a quick smile and gave a sigh of relief. Still it was nothing like the sigh at the last curtain and applause. The hard work of the stage managers, make-up managers, and cast members had resulted in success. We walked slowly and sadly to greet our audience in the Green Room knowing the work and the fun of our play was over forever ... except in memory.

"The Stickney Foundation Award is yours, Mr. Twibbly."

SENIOR BALL—L. Corby, B. Cochrane, M. Maloney, C. Otteman, M. Doolittle, C. Kirkwood.

SENIOR BALL

The memories each of us holds towards our high school lifetime are very cherished. The most prominent of these, "Fantasy in Frost", was created December 29, 1965. This very successful and enchanting dance again crowned Chris Otteman as its Queen. As we danced under the stars, dreaming, the time flew until, at 1, the doors finally closed. Each of us left with the somber thought that it was all over, but then remembering we still had our memories.

The Hornet Staff has sought to present a true picture of student life at Honeoye Falls. Every week the staff met to discuss the many details of planning the yearbook such as: color, material, headings, and layout. Some of the members spent a day touring Du Bois press to discover new ideas for use in the yearbook. Our photographers could be seen last fall roaming the halls and taking candid shots of teachers and students in action. Our worries over write-ups, photographers, and dead-lines were not in vain for each staff member can take pride in having produced a yearbook which represents all the years of hard work, fun, and friendship that have made up the Class of 1966.

**NEVER BEFORE HAS IT
BEEN SO NECESSARY TO KNOW
HOW TO GET A JOB!**

Now comes the time of decision for your career ahead. It will probably be one of the most important decisions you will be called upon to make. Fortunately, you live in a land where freedom of choice and opportunity are almost unlimited.

Of course, anyone's "first job" is to get his basic education. Congratulations to you who get this job well done.

NOW, HOW ABOUT THE NEXT STEP?

Career opportunities in Rochester, with its many and diverse industries, commercial organizations and professions, should interest almost any student. Most Rochester companies are recognized for their high standards and advanced technology. It follows that standards for employment are high too—and a good education tops the list.

An employer knows what kind of people he is looking for. The student ready for a career should have an equally good idea of what he or she is looking for. Consulting with parents, counselors, friends, and with employers themselves will reveal what kind of positions are available in what kind of organizations.

Evaluating your abilities and appraising your readiness for the career of your choice is the key to your future. There is no door it cannot unlock—when the key fits!
